

# PARISH INVOLVEMENT EXPERIENCE

**Confirmation** deepens our baptismal life by calling us to be missionary witnesses of Jesus Christ in our families, neighborhoods, society, and the world.

There is no better place to begin this missionary witness than at Saint Dennis Church, your parish community. This is a special requirement for all those making their Confirmation in 2024.

Here are some ways to get involved here at Saint Dennis Church. Please reach out to us at [sroberts@saint-dennis.org](mailto:sroberts@saint-dennis.org), for information about signing up for these involvement activities.

Your activity and your personal reflections report are due by the Confirmation Retreat in January. Thank you for turning in your saint's name form and your sponsor's name form then as well.
